

Tire Group International enters into Distribution Arrangement with GITI Tire USA

Miami, Florida (August 21, 2009) – Tire Group International (TGI) and GITI Tire USA are pleased to announce they have entered into an distribution arrangement that will allow TGI to distribute GT Radial branded tires in South Florida. TGI will carry the full line of GT Radial tires, including the Maxtour line, Champiro 128, Champiro 228, Champiro 328, Champiro 528, Savero H/T, Adventuro A/T II and Adventuro M/T lines. The GT Radial line up will be stocked in their Miami distribution center.

“We feel the addition of GT Radial tires to our current product portfolio is another step in solidifying TGI’s position as the market leader in the distribution of quality tires. GT Radial is a perfect fit for TGI and with our marketing expertise and current customer base, we feel that we can make a significant impact in our market rather quickly” said Tony Gonzalez, Tire Group International’s Chief Executive Officer.

GT Radial and TGI will leverage their respective strengths by implementing a retail market approach. This will be accomplished by utilizing TGI’s value-added wholesale business model through established access to the retail market in southern Florida. GT Radial will provide a strong product portfolio and aggressive POS & retail support programs.

Tire Group International, Inc (TGI) is one of the fastest-growing companies in the worldwide wholesale distribution of tires and South Florida’s largest independent tire wholesaler. TGI carries over 40 brands of tires, covering the entire spectrum of the tire industry. TGI also distributes its own private labels Astro, Cosmo, Industar, Luna, Orion and represents many other brands including MRF, Cooper, Sumitomo, Delta, Matador, Mickey Thompson, etc. TGI also carries several brands of tubes and various lines of automotive products. Besides TGI’s large inventory, it also has access to literally, millions of tires worldwide, ready for direct shipment to any destination. Visit our website at www.tiregroup.com
